Excellence from tradition.
Legacy from innovation.

For more than half a century, Cultured Stone® by Boral® has produced premium manufactured stone veneer, created by the finest master craftsmen. As we embrace the strong practices of excellence and artistry that define our heritage, we look ahead to create solutions that offer greater flexibility in design, meeting the design needs of today, and tomorrow.

Eleanor Roosevelt once said, “The future belongs to those who believe in the beauty of their dreams.” We believe in offering products that help you achieve your dreams, beautifully.

You are not just a building professional, and these are not just products. You are a visionary, and these are the tools with which you are able to shape your future. Bring incomparable design to reality through the finest manufactured stone veneer available in the industry. The past has shaped us, but the future is ours to define.

INTRODUCING:
Pro-Fit® Terrain™ Ledgestone

THOROUGHLY MODERN, TOTALLY MODULAR.

Building on our beautiful Contemporary Collection, Pro-Fit® Terrain™ Ledgestone blends fine Cultured Stone® by Boral® textures and relief patterns to blaze a bold new path and push the contemporary design movement forward. Pro-Fit® Terrain™ is quick and easy to install, with groups of small stones expertly bundled by our masons.

Adventure meets design.

A first impression set in stone.

Remember how you felt the first time you walked into your dream home? That excitement and pride never goes away when you enhance the exterior of your home with our Cultured Stone® veneers. Whether pulling into your driveway or catching a parting glimpse in the rearview mirror, the character and charm of a Cultured Stone exterior makes a bold and lasting impression. Realtors call it “curb appeal.” You’ll call it utter perfection.

Celebrating the spaces in between.

While our gorgeous Cultured Stone® veneers tend to be the center of attention, it’s often the grouting styles in between that can really make a difference. Creating the right mortar joint for a project is a matter of choosing not only the perfect color, but also the right width—a choice that naturally affects the total square footage. And while a standard mortar joint is typically 1/2” in width, some stone textures allow for a dry stacked, tight-fitted joint to achieve a clean, tailored appearance.
A past remembered. A future imagined.

Historically, artisan stonework has been used to dramatically define indoor settings—from prominent stacked-stone hearths to meticulously crafted mosaic floors. With Cultured Stone® veneers, an exciting new era comes to life inside the home with cleverly designed interior creations that transform simple backsplashes, accent walls, columns and fireplaces into stunning works of timeless art.
The product colors you see are as accurate as current photography and printing techniques allow. We suggest you look at product samples before you select colors.
Fall in love with outdoor living.

If home is where the heart is, your outdoor space is where the real love affair is waiting to unfold. Think of it — a canvas of possibilities waiting to be designed and enjoyed with a gorgeous stone fireplace, a dramatic fountain or even an entire outdoor room. With Cultured Stone® veneers serving as the backdrop, even the simplest outdoor activities become unforgettable moments all day long and deep into a moonlit night.

Creating the ultimate impulse buy.

Today’s savvy consumer wants more than a product when they’re out shopping—they also want a memorable experience. With Cultured Stone® veneers, a storefront, restaurant or hotel is sending a subtle but significant message about what their patrons can expect the moment they step inside. From chic and sophisticated to warm and inviting, Cultured Stone® exteriors communicate just how special the interior experience will be.
Perfection is in the details.

Cultured Transitions™, the new home for our ever-evolving collection of unique trim and accessories, adds even more beauty and functionality to the home or business. Everything you need to complete each project is in one convenient collection. From unique capstones and trim to elegant electrical boxes, our selection of timelesse accents will add both style and protection to any commercial or residential façade.

Dimensions listed are nominal. Please check the actual product size to ensure the right fit for your application.

Note: Flat Textured Capstones can be used for fireplace hearths. Hearthstones are not suitable for foot traffic.
We've designed our Cultured Transitions® architectural accents to complement our textures and colors beautifully. Use the chart below as a guide to selecting the architectural accents that best harmonize with the Cultured Stone® by Boral® veneer products you have chosen.

### Stone Veneer Dimensions

*Stone Veneer Dimensions*
We strive to meet today’s building needs without compromising the future. Cultured Stone® veneers are designed to not only beautify spaces but also take care of our shared environment along the way. To that end, our closed-loop recycling system allows us to reuse water during manufacturing, which proves especially important in California’s drought-prone environment.

Cultured Stone® veneer products contain an average of 58% recycled content.

Our commitment to thinking and building green has also led us to meet the indoor air quality standards of the GREENGUARD Environmental Institute and GREENGUARD Gold. In addition, Cultured Stone® veneer is a NGBS Green Certified Product.
Cultured Stone® veneer can be used on most structurally sound wall surfaces. It is lightweight and quick adhesion allows for fast, easy installation without additional footings or wall ties. Each piece of Cultured Stone® veneer is applied individually with Type N or Type S mortar and attaches permanently to the wall surface. Be sure to read the Cultured Stone® by Boral® full detailed installation instructions. Get a copy from your Cultured Stone® dealer, at www.culturedstone.com or by calling 1.800.255.1727.

**MAINTENANCE**

Cultured Stone® and Cultured Brick® veneers are virtually maintenance-free. If required, lightly wash to remove dust or dirt. Do not sandblast or wash with acid, abrasives or high-pressure water. Damaged or graffiti-marred stones can be removed and replaced with matching materials.

**Warranty**

**LIMITED WARRANTY**

Cultured Stone® wall products carry a 50-year limited warranty when used on structures that conform to local building codes and when installed according to manufacturer’s instructions. Warranty is limited to replacement or repair of defective materials only and does not cover labor to remove and replace. Warranty does not cover damage resulting from building settlement, wall movement, contact with chemicals or paint, discoloration due to airborne contaminants, and staining or oxidation. Warranty is limited to the original purchaser. Complete warranty information is available on request.

"Architects have leaned on us for many years to help fulfill their vision for their customer; time and time again, we get that done with Cultured Stone®.

Doug McCall, OldcastleCoastal, Tampa, FL

"We are over 115 years old and the oldest brick and block manufacturer in the Pacific Northwest. Cultured Stone® is a great addition to our product line. We have been partners for 35 years.

Bill Houlahan, Jr., Mutual Materials, Bellevue, WA

Gordon Strout, Instone, Millstone Township, NJ

"We were part of the growth of an industry. When we started, there was not even a product category for manufactured stone, and now it’s fully established.

Keith Polster, Mason Steel, Cleveland, OH

Born from great partnerships, Cultured Stone® by Boral® is a family affair. Rooted in our commitment to quality, a long-standing history of working closely with distributing partners, developing new products, textures and colors together from the Southeast to the Pacific Northwest, we are Cultured Stone® by Boral®.

We are Cultured Stone®.
Originality never goes out of style.

From cast to model, the entire Cultured Stone® veneer production process is very much hands-on—down to the trademark CSV® (Cultured Stone® Veneer) stamp that has been hand-applied since 1962, to each and every stone we craft. Only genuine Cultured Stone® by Boral® products have a CSV® indicia embossed on the edge, guaranteeing that you’re getting the original, proven and preferred brand. After all, a master’s touch is all in the detail.

Explore the endless possibilities of building with Cultured Stone® veneer products by visiting our website at www.culturedstone.com. For more detailed information, please call 1.800.255.1727.
